

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

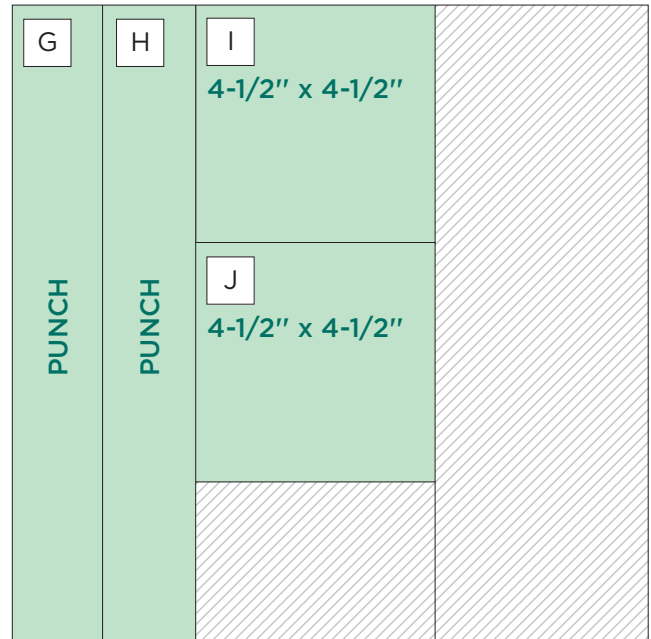

- Use two sheets of Goldenrod Cardstock for your base.
- Using the Basketweave Border Punch, punch two borders each from designer papers #1 and #2.
- Using the 12-inch Trimmer, finish following Cutting Guides 1, 2 and 3 with designer paper.
- Using the Repositionable Tape Runner, adhere pieces G and H to the bottom of each side of the spread. Adhere pieces K and L along the top of the borders. Adhere pieces C and D so that they overlap the seams of previous pieces.
- Cut border pieces A and B to make one 8" strip and one 4" strip. Using the 12-inch Trimmer, cut a 45° angle on one end of each piece so that they create a right angle when put together. Adhere them to the spread using the Repositionable Tape Runner Refill.
- Finish adhering pieces to the spread following the sketch above.
- Adhere photos and journal as desired.
- Optional: Apply stickers and embellishments using Foam Squares to add dimension.
