

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

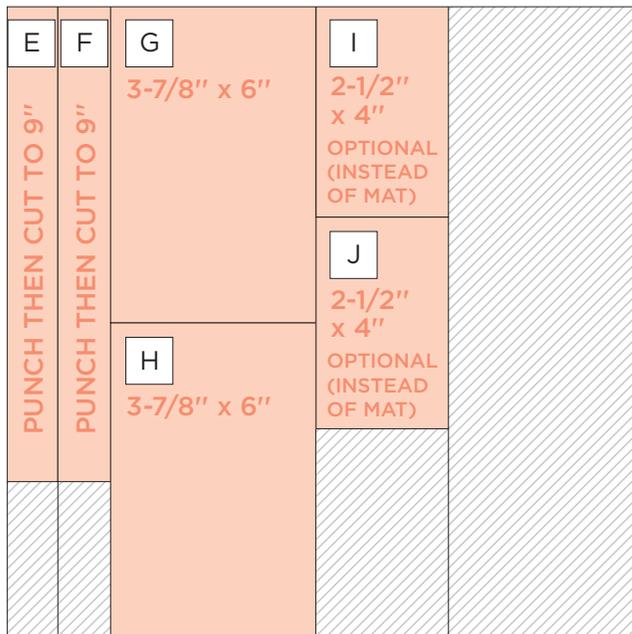

- Use two sheets of designer paper for your base.
- Using the Original Border Maker System with the Simple Leaf Chain BMC, punch borders A, B, E, F, K and L from the cardstock. Trim pieces E and F so they are 9" long and cut one border in half to make pieces K and L.
- Using the 12-inch Trimmer, finish following Cutting Guides 1, 2 and 3 with cardstock.
- Adhere the border pieces with the Repositionable Tape Runner.
- Using the Tape Runner, finish adhering the pieces following the sketch above. Adhere pieces I and J so they are tucked just underneath the matted photos. (Optional: If using a 4" x 6" variety mat, cut the mat in half and adhere it to the layout in place of pieces I and J.)
- Adhere photos and journal as desired.
- Optional: Apply stickers and embellishments using Foam Squares to add dimension.
