

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

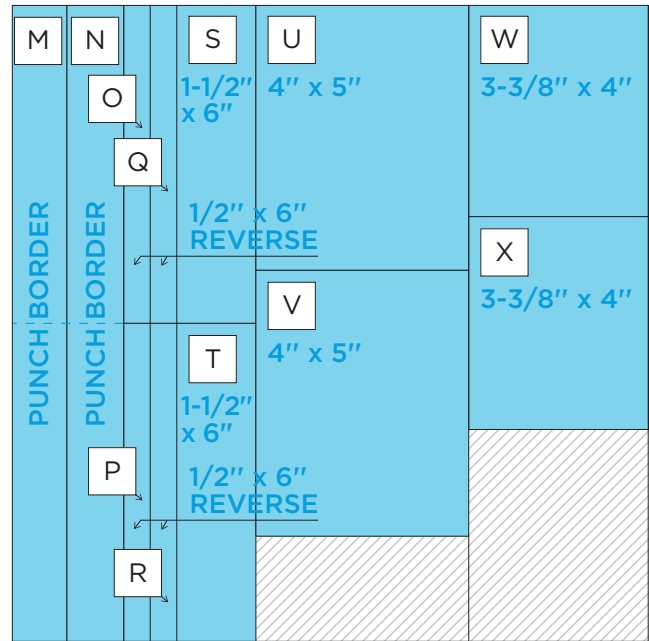

- Using the Gemstone Chain Border Maker Cartridge with the Original Border Maker System, punch border pieces A, B, M and N from designer and tone-on-tone papers. Cut all four border pieces in half at 6".
- Using the 12-inch Trimmer, finish following Cutting Guides 1, 2, 3, 4 and 5. Cut pieces K and L in half from corner to corner to make triangles.
- To make the left side of your base, lay pieces HH and FF directly next to each other facedown on a flat surface so they meet edge to edge. Apply adhesive to welding piece Y. Overlap and adhere piece Y down the back seam of pieces HH and FF so that it joins them into a full 12x12 sheet.
- For the right side of your base, repeat the welding process. Apply adhesive to welding piece Z and adhere to the backs of pieces GG and II.
- Using the Tape Runner, finish adhering the rest of the pieces following the sketch above. Use the Repositionable Tape Runner Refill to adhere the border pieces.
- Adhere photos and journal as desired.
- Optional: Apply stickers using Foam Squares to add dimension.
