

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

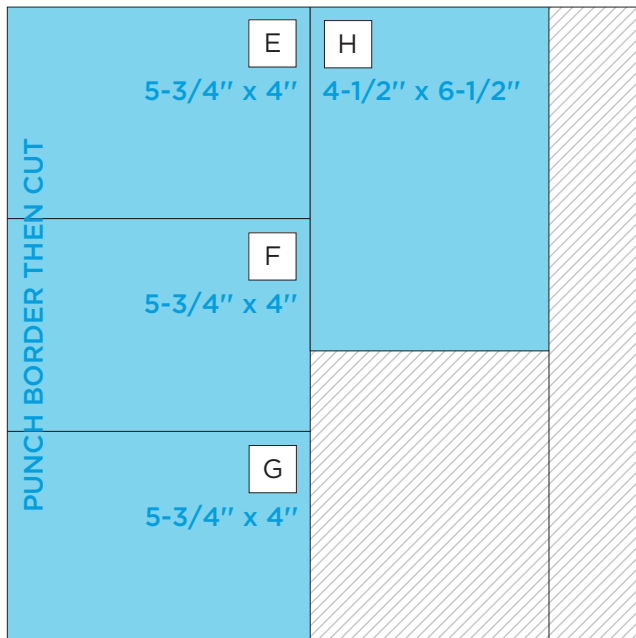

- Use two sheets of designer paper for your base.
- Using the Cake Border Punch, punch along the left side of the Navy Cardstock (leave the punched border attached). Measuring from the punched edge, trim the cardstock to 5-3/4" wide. Then turn the trimmed punched piece horizontally and cut along the long side at 4" intervals to create pieces A, B and C. Finish following Cutting Guide 1.
- Repeat with the Aqua Cardstock from Cutting Guide 2 for pieces E, F, G and H.
- Using the 12-inch Trimmer, follow Cutting Guide 3 with designer paper.
- Fold pieces K and L in half along the long side. Trim a small triangular section from the bottom of each to create flag shapes.
- Using the Tape Runner, adhere all pieces following the sketch above. Use the Repositionable Tape Runner Refill to adhere border pieces.
- Adhere photos and journal as desired.
- Optional: Apply a 3-1/2" x 3-1/2" photo instead of piece J. Apply stickers and embellishments using Foam Squares to add dimension.
