

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

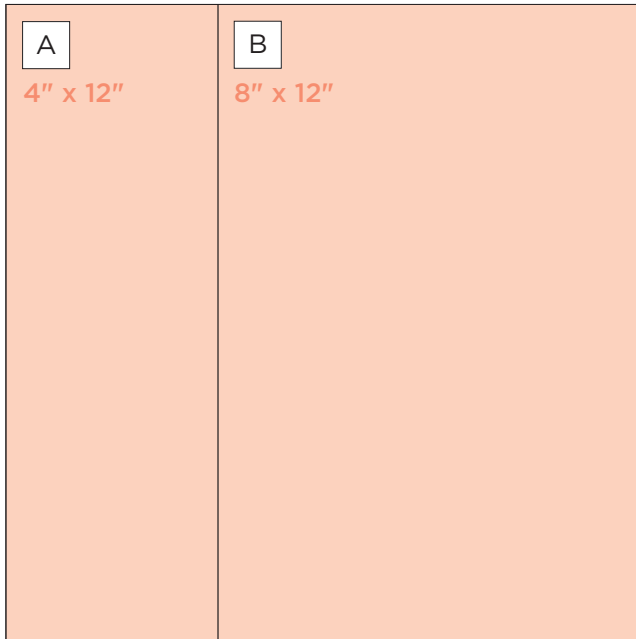

INSTRUCTIONS

- Using the Rope Chain Border Maker Cartridge with the Original Border Maker System, punch border pieces E, F, G and H from tone-on-tone paper #2.
- Using the 12-inch Trimmer, finish following Cutting Guides 1, 2 and 3 with designer and tone-on-tone paper.
- Using Micro-Tip Scissors, cut a V shape from the ends of pieces K, L, M, Q, T and U to make flags.
- To make the left side of your base, lay pieces A and C directly next to each other facedown on a flat surface so they meet edge to edge. Apply adhesive to welding piece V.

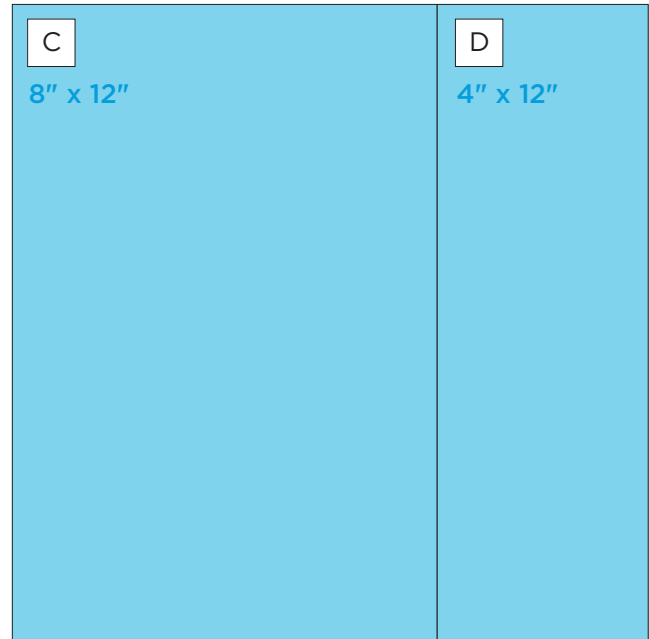

- Overlap and adhere piece V down the back seam of pieces A and C so that it joins them into a full 12x12 sheet.
- For the right side of your base, repeat the welding process by applying adhesive to welding piece W and adhering it to the backs of pieces D and B.
- Using the Tape Runner, finish adhering the rest of the pieces following the sketch above. Use the Repositionable Tape Runner Refill to adhere the border pieces.
- Adhere photos and journal as desired.
- Optional: Apply stickers using Foam Squares to add dimension.
