**INSTRUCTIONS**

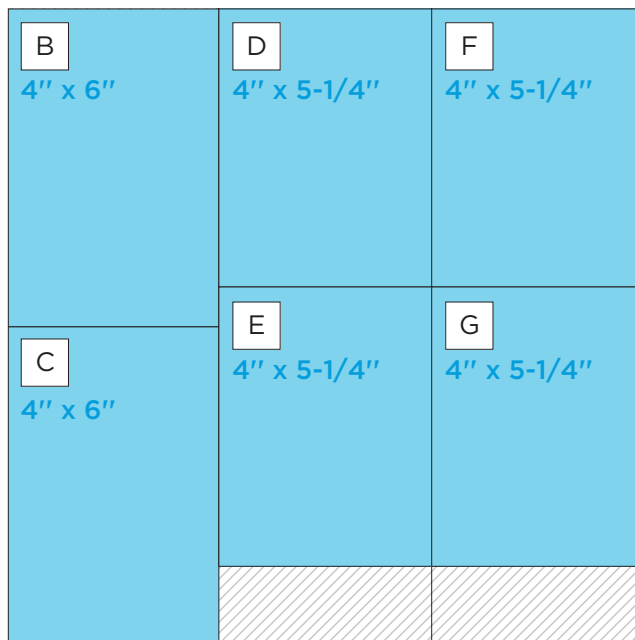

- Use two pieces of designer paper for the base of your spread.
- Using the 12-inch Trimmer, follow Cutting Guides 1 and 2 with designer paper.
- Fold piece A in half from corner to corner, creating a triangle. Cut along this diagonal with the 12-inch Trimmer, cutting piece A in half to make two triangles. Then place the long edges of each triangle along the top of the 12-inch Trimmer, and cut those pieces in half to create four triangles total.
- Using the Animal Tracks Border Maker Cartridge with the Original Border Maker System, punch along the 11-1/2" edges of each triangle.
- Using the Tape Runner, adhere the pieces following the sketch above. Use the Repositionable Tape Runner Refill to adhere the punched A pieces.
- Adhere photos and journal as desired.
- Optional: Apply stickers and embellishments using Foam Squares to add dimension.
