

**Note:** Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

**INSTRUCTIONS**

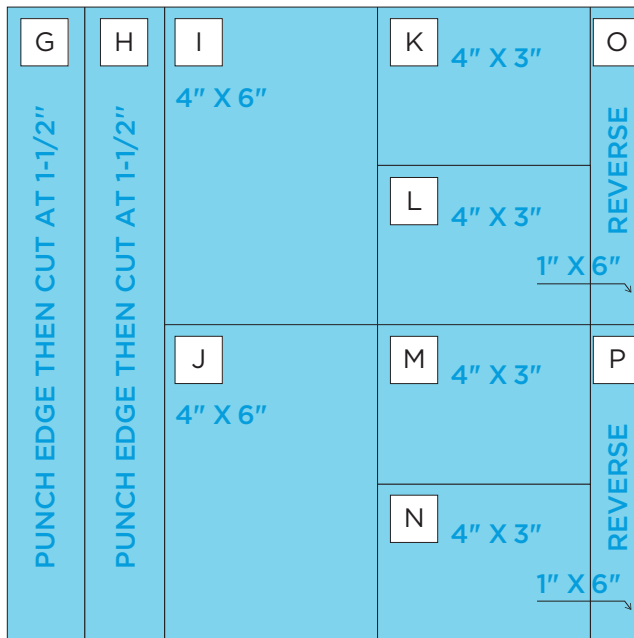

- Use two sheets of identical tone-on-tone papers for your base.
- For piece A, punch the left edge of Designer Paper #1 using the Starry BMC with the Border Maker System. Then use the 12-inch Trimmer with the Scoring Blade to score 1" from the edge of the punched piece. Fold this piece over so the punched edge is highlighted by the other side of the paper, and then cut at 1-1/2" from the fold. Repeat this step for pieces B, C and D. Note: If you do not have the Starry BMC, score at 1" from the paper edge, fold and cut 1-1/2" from the folded edge.
- Using the Fairgrounds Border Punch, punch along the left edge of Designer Paper #2, then cut at 1-1/2". Repeat this step for piece H.
- Using the 12-inch Trimmer, finish following Cutting Guides 1 and 2 with designer paper.
- Using the Tape Runner, adhere all pieces following the sketch above. Use the Repositionable Tape Runner Refill to adhere the folded border pieces.
- Adhere photos and journal as desired.
